

SOCAFRICA

Give a child a home!

Charity No: 1045990
SOCAfrica is an initiative of RRF Luton.

Save Our Children Africa was founded by Rev. Lloyd Denny DL in 2007.

The aim of the charity is to provide care and support to poverty stricken children in Africa. Supplying food, clean water and mostly a place they can call home.

The beginning of a successful future is that which has a solid foundation.

The help begins here!

socafrika@live.com

The charity was officially launched in December 2007 on the back of ongoing support to the children and orphans in Kenya for nearly ten years.

In 2005, construction work begun to build the first home in a remote village in the town of Bungoma, Kenya. The home will accommodate up to 20 children within a family setting in line with the requirement of the Kenyan Government. The home will be operationally managed by a Management Board, drawn from Pastors of the local churches. In the UK a Management Committee will oversee the management of the home and associated matters.

The orphanage is on time for completion in June 2017.
